### Mimi Falbo

A nurse, executive, consultant, and dedicated volunteer who has spent her career working to bring quality health care to people who need but cannot afford it.

### Ralph Falbo

A developer, builder, and executive who has spent his career creating housing that is appealing and affordable, working side-by-side with nonprofits to support community development.

## The Falbos @ The Phipps

### Heritage Community Initiatives

... is a 26-year-old nonprofit whose work transforms individual lives and entire communities. Heritage's innovative programs have proven effective in some of southwestern Pennsylvania's most economically distressed areas.

As a tribute to Mimi and Ralph, The Falbo Fund has been created to enable Heritage to continue its vital work in areas such as educating young children; providing job training and transportation to work for their parents; building affordable housing for families; and supporting community and economic development.
